How To Make A Ball & Cup Game:

You will need a small paper cup, a piece of foil, a pencil, a 1.5' piece of string, and a rubber band.

Use the pencil to poke a hole in the bottom of the cup. Fasten the rubber band around the top of the pencil so it doesn't slip out of the hole.
How To Make A Ball & Cup Game:

Wrap the tinfoil around the end of the string, creating a ball.

Tie the other end of the string onto the pencil, just below the cup.
To play: try and catch the ball inside the cup by swinging the rope forward.
