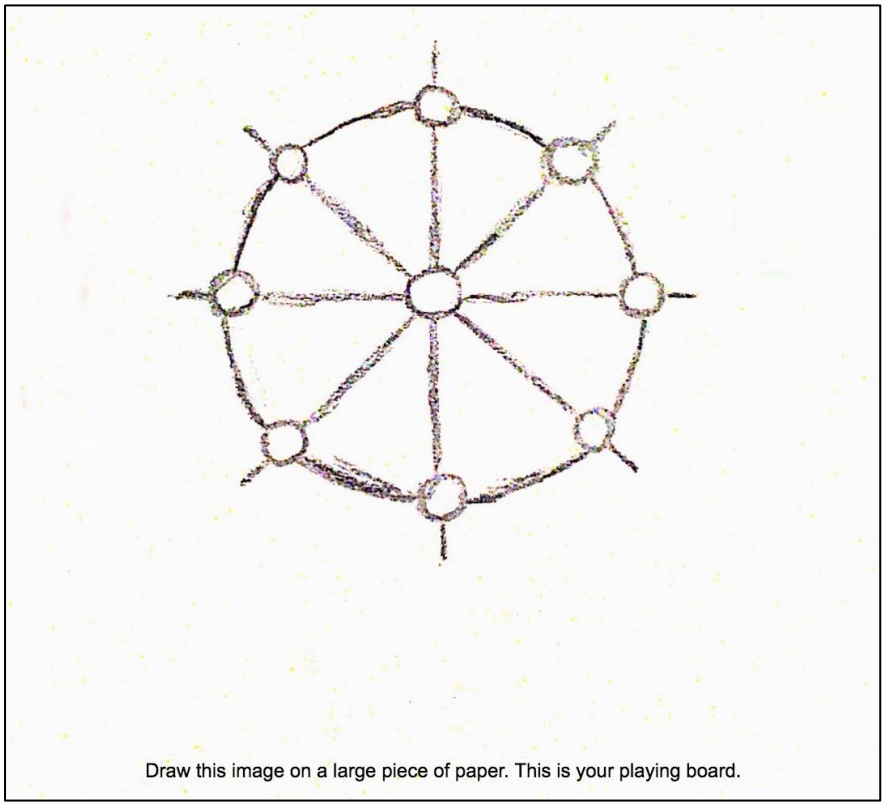
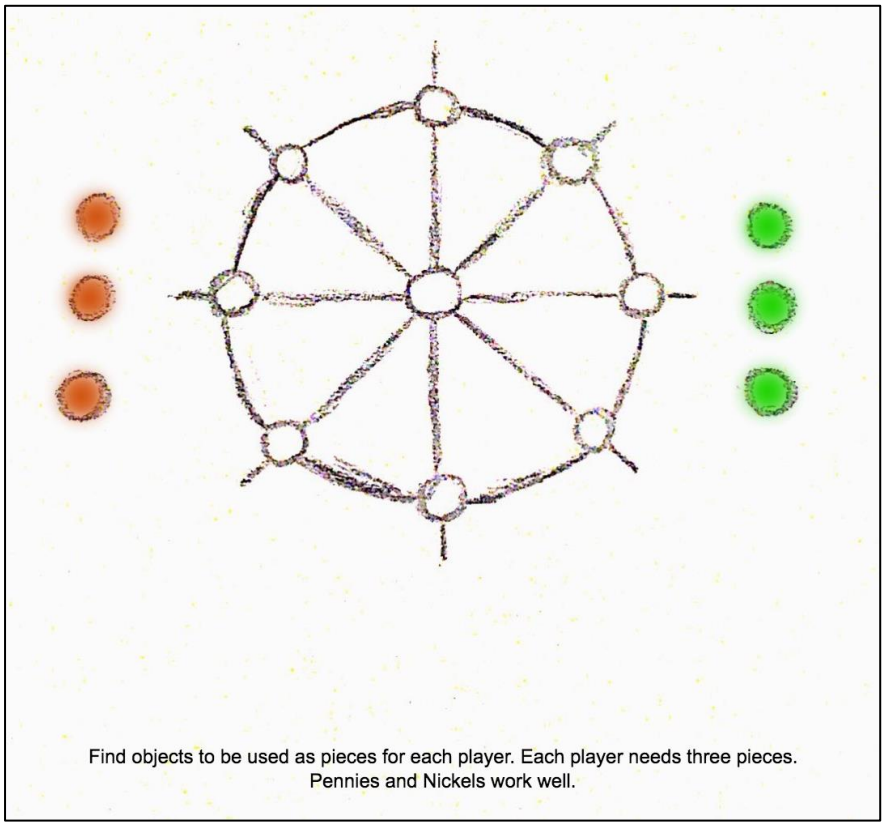
How To Play Rota:



Draw this image on a large piece of paper. This is your playing board.



Find objects to be used as pieces for each player. Each player needs three pieces.
Pennies and Nickels work well.

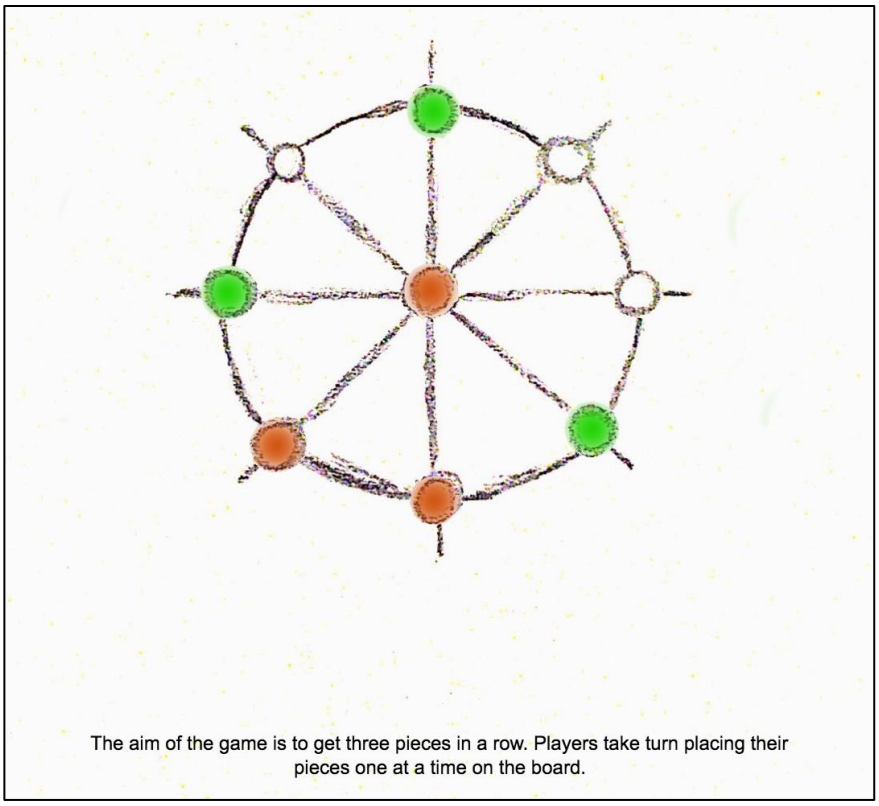
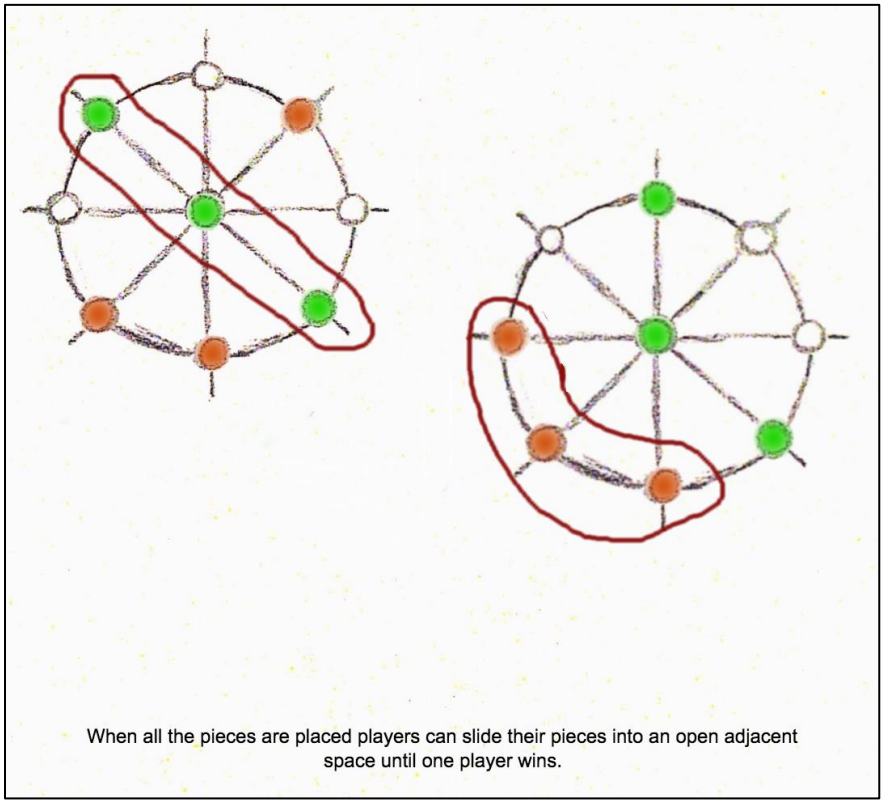
OLD STONE HOUSE & WASHINGTON PARK

How To Play Rota:



The aim of the game is to get three pieces in a row. Players take turn placing their pieces one at a time on the board.



When all the pieces are placed players can slide their pieces into an open adjacent space until one player wins.
